

Appendix A1 Mapping of central and valuable capabilities to indicators and measures

| Central and valuable capabilities | Indicators | Measures |
|---|--|---|
| LIFE | | |
| A Avoid premature mortality through disease, neglect, injury or suicide | 1. Life expectancy | 1.1 (E,S,W) Period life expectancy at birth, and ages 20, 65 and 80 |
| B Be protected from being killed or murdered | 2. Homicide | 2.1 (E,S,W) Homicide rate 2.2 (E,W) Domestic homicide rate (with separate reporting of relationship of victim to principal suspect, including partner homicide) 2.3 (E,W) Homicides involving sharp implements and shootings 2.4 (E,W) Racially motivated, religiously motivated and homophobic homicide |
| A B | 3. Other specific-cause mortality rates | 3.1 (E,S,W) Cardiovascular disease mortality rate (age-standardised) 3.2 (E,S,W) Cancer mortality rate (age-standardised) 3.3 (E,S,W) Suicide rate 3.4 (E,S,W) Accident mortality rate |
| A B | 4. Death rates from non-natural causes for people resident or detained in public or private institutions | 4.1 (E,W) Deaths from non-natural causes during or following police custody 4.2 (E,S,W) Self-inflicted deaths in prisons 4.3 (E,W) Deaths from non-natural causes for people resident or detained in health or social care establishments (under development) |

| HEALTH | | |
|---|---|--|
| A. Attain the highest possible standard of physical and mental health, including sexual and reproductive health | 1. Limiting illness, disability and mental health | 1.1 (E,W) Percentage who report a long-standing health problem or disability that substantially limits their ability to carry out normal day-to-day activities 1.1 (S) Percentage who report a long-standing illness that substantially limits their ability to carry out normal day-to-day activities 1.2 (E,S,W) Percentage who report poor mental health and well-being |
| A | 2. Subjective evaluation of current health status | 2.1 (E,S,W) Percentage who report poor current health status |
| B. Access to timely and impartial information about healthcare options, including contraception C. Access to healthcare without discrimination, in a culturally sensitive way D. Be treated medically, or subject to experiment, only with informed consent E. Be assured of patient confidentiality and be free from stigmatisation | 3. Dignity and respect in health treatment | 3.1 (E,W) Percentage with low perceptions of treatment with dignity and respect in healthcare 3.1 (S) Percentage with low perceptions of treatment with dignity and respect in healthcare (under development) 3.2 (E,W) Percentage reporting lack of support for individual nutritional needs during hospital stays |
| F. Maintain a healthy lifestyle including exercise, sleep and nutrition | 4. Healthy living | 4.1 (E,S,W) Percentage who are living a healthy lifestyle, covering (a) smoking, (b) alcohol, (c) physical activity, (d) consumption of fruit and vegetables, and (e) body mass 4.2 (E,W) Percentage who are living in an area with less favourable environmental conditions |
| G. Live in a health and safe environment including clean air, clean water, and freedom from pollution and other hazards | 5. Vulnerability to accidents | 5.1 (E,S,W) Accident & Emergency accident and injury rate, by location (under development) |

| PHYSICAL SECURITY | | |
|--|---|--|
| <p>A. Be free from violence including sexual and domestic violence and violence based on who you are</p> | <p>1. Violent crime</p> | <p>1.1 (E,S,W) Percentage that are victims of violent crime (all types) 1.2 (E,S,W) Percentage that are victims of violent crime involving knives, sharp stabbing instruments and guns 1.3 (E,W) Percentage that are victims of sexual violence (with separate reporting of rape and assault by penetration, including attempts, and other sexual violence) 1.3 (S) Percentage that are victims of sexual violence (with separate reporting of rape, including attempts, and sexual assault) 1.4 (E,W) Percentage that are victims of domestic violence (with reporting of relationship of victim to principal suspect, including partner violence) 1.4 (S) Percentage that are victims of partner violence</p> |
| <p>A. B. Be free from cruel, inhuman or degrading treatment or punishment</p> | <p>2. Percentage that are victims of hate crime</p> | <p>2.1 (E,S,W) Prevalence of hate crime (race) 2.2 (E,S,W) Prevalence of hate crime (religion) 2.3 (E,S,W) Prevalence of hate crime (age) 2.4 (S) Prevalence of hate crime (gender) 2.5 (E,S,W) Prevalence of hate crime (disability) 2.6 (E,S,W) Prevalence of hate crime (sexual orientation) 2.7 (E,S,W) Prevalence of hate crime (transgender) (under development)</p> |

| | | |
|--|--|--|
| Physical security cont'd | | |
| A C. Be protected from physical or sexual abuse (especially by those in positions of authority) | 3. Physical security for people resident or detained in institutions | 3.1 (E,S,W) Elder abuse and other abuse for the non-private household population (<i>under development</i>) |
| D. Go out and to use public spaces safely and securely without fear | 4. Fear of Crime | 4.1 (E,S,W) Percentage that feel very unsafe or unsafe being <i>alone</i> at home and in local area (during the day and after dark) 4.2 (E,W) Percentage that feel very worried or worried about physical attack, intimidation or acquisitive crime 4.2 (S): Percentage that feel very worried / worried about physical attack, sexual assault and acquisitive crime |

| | | |
|--|---|--|
| LEGAL SECURITY | | |
| A. Knowing you will be treated with equality and non-discrimination before the law B. Being secure that the law will protect you from intolerant behaviour and from reprisals if you make a complaint | 1. Offences reported and brought to justice: rape, domestic violence and hate crime | 1.1 (E,W) The number of cases of rape estimated from general population survey sources, compared with the number of cases reported to and recorded by the police, and the number of legal cases successfully prosecuted 1.2 (E,W) The number of cases of domestic violence estimated from general population survey sources, compared with the number of cases reported to and recorded by the police, and the number of legal cases successfully prosecuted 1.3 (E,W) The number of cases of hate crime estimated from general population survey sources, compared with the number of cases |

| | | |
|--|--|--|
| | | reported to and recorded by the police, and the number of legal cases successfully prosecuted |
| A C. Being free from arbitrary arrest and detention D. Having fair conditions of detention E. Having the right to a fair trial G. Having freedom of movement | 2. Equal treatment by the police and criminal justice system (objective and subjective measures) | 2.1 (E,W) Percentage (a) stopped on foot or vehicles (b) stopped and searched 2.1 (S) Percentage who had contact with police because they were stopped in a car, on a motorcycle or on foot, to be asked questions or searched 2.2. (E,W) Percentage who are confident that the criminal justice system (police, CPS, courts, prison and probation service) (a) meets the needs of victims, (b) respects the rights of those accused of an offence and treats them fairly |
| | | 2.2. (S) Percentage who are confident that the Scottish criminal justice system provides (a) equal access to the legal system for all (b) serves all communities of Scotland equally and fairly (c) provides an appropriately high standard of service for victims of crime (d) provides an appropriately high standard of service for witnesses 2.3 (E,W) Percentage who have lodged an official complaint against the police in past 12 months who are fairly or very satisfied with the handling of the complaint 2.3 (S) Percentage of those who have reported an incident to the police who are very dissatisfied with the way that the police handled the matter |
| A | 3. Deprivation of liberty: numbers | 3.1 (E,S,W) Percentage of the population in |

| | | |
|--|---|---|
| C D E | and conditions | prisons in England, Wales and Scotland 3.2 (S) Perceptions of treatment with dignity and respect in prisons |
| F. Access to affordable and high-quality information and advocacy as necessary | 4. Equal protection and support for individuals with justiciable civil justice problems | 4.1 (E,W) Percentage who said they had justiciable civil justice problems but who gave up or did nothing as opposed to other outcomes 4.1 (S) Percentage who had civil justice problems who tried to solve the problem but had to give up 4.2 (E,W) Percentage with justiciable civil justice problems that obtained advice |
| I. Owning property and financial products including insurance, social security, and pensions in your own right | [not specifically covered] | |
| H. Having the right to name, gender and nationality | [not specifically covered] | |
| J. Knowing your privacy will be respected | [not specifically covered] | |

| | | |
|---|-------------------------------|--|
| EDUCATION AND LEARNING | | |
| C. Develop the skills for participation in productive and valued activities, including parenting D. Learn about a range of cultures and beliefs and acquire the skills to participate in a diverse society, including learning English | 1. Basic skills | 1.1 (E,S,W) Percentage of people of working age achieving functional literacy and numeracy skills 1.2 (E,W) Percentage who can speak, read and write English or Welsh very or fairly well |
| A. Attain the highest possible standard of knowledge, understanding and reasoning C. | 2. Educational qualifications | 2.1 (E,S,W) Percentage of each age group with no educational qualifications 2.2 (E,S,W) Percentage of each age group with degree level qualification |

| | | |
|---|--|--|
| E. Access education, training and lifelong learning that meets individual needs B. Be fulfilled and stimulated intellectually, including being creative if you so wish | 3. Participation in lifelong learning | 3.1 (E,S,W) Percentage who have participated in formal or informal learning in last 12 months |
| F. Access information and technology necessary to participate in society C | 4. Use of the internet | 4.1 (E,S,W) Percentage who have used the internet for any purpose within the last 3 months |
| A E | 5. Being treated with respect in education | 5.1 (E,W) Percentage of those attending who say they are treated with respect at school or college |

| | | |
|--|-----------------------------------|--|
| STANDARD OF LIVING | | |
| A. Enjoy an adequate and secure standard of living, including nutrition, clothing, housing, warmth, social security, social services and utilities, and be cared for and supported when necessary C. Live with independence, dignity and self-respect F. Enjoy your home in peace and security | 1. Housing quality and security | 1.1 (E,S,W) Percentage of individuals living in sub-standard, overcrowded or unadapted accommodation (England, Scotland, Wales) 1.2 (E,S,W) Percentage who were a victim of domestic burglary or vandalism to the home in the last 12 months |
| A C | 2. Poverty and security of income | 2.1 (E,S,W) Percentage of individuals living in households below 60 per cent of contemporary median income, after housing costs 2.2 (E,S,W) Mean deprivation score among those above the income poverty threshold 2.3 (E,S,W) Share of total personal wealth relative to share of population |
| A B. Get around inside and outside the home, and access transport and public places | 3. Access to care | 3.1 (GB) Percentage of disabled people (including older people) who do not receive practical support that meets their needs 3.1 (E) Percentage of older disabled people who |

| | | |
|---|---|--|
| C | | <p>do not receive practical support that meets their needs</p> <p>3.1 (S) Percentage of disabled people (including older people) who do not receive practical support, or lack equipment/adaption</p> <p>3.2 (E) Percentage of parents who do not have access to childcare which meets their and their children's needs</p> <p>3.2 (S) Percentage of parents who would prefer to change their childcare arrangements but are unable to do so</p> |
| <p>G Access green spaces and the natural world</p> <p>B</p> <p>A</p> | 4. Quality of the local area | <p>4.1 (E) Percentage living in an area with 'unsatisfactory' or 'poor' local environmental conditions</p> <p>4.1 (S,W) Average number of problems with local environmental quality cited</p> <p>4.2 (E,S,W) Percentage able to reach local facilities in reasonable time / fairly easily without private transport</p> |
| <p>A</p> <p>C</p> | 5. Being treated with respect by private companies and public agencies in relation to your standard of living | 5.1 (E,S,W) Percentage who report being treated unfairly by financial institutions, utility companies, housing officials or private landlords, social services, Jobcentre Plus or the Pension Service, or who have avoided contacting them for fear of being treated unfairly (under development) |
| <p>D. Have choice and control over where and how you live</p> <p>E. Have control over personal spending</p> | [autonomy indicators] | |
| <p>H. Share in the benefits of scientific progress including medical advances and info&tech</p> | [not specifically covered] | |

| PRODUCTIVE AND VALUED ACTIVITIES | | |
|---|---------------------------------|--|
| A. Have a decent paid job, with support where necessary | 1. Employment rate | 1.1 (E,S,W) Percentage of working age population in paid employment |
| A F. Work in just and favourable conditions, including health and safety, fair treatment during pregnancy, maternity and paternity, fair pay, reasonable hours, and freedom from harassment or discrimination | 2. Earnings | 2.1 (E,S,W) Percentage earning less than 60 per cent of median hourly earnings of employees (excluding unpaid overtime) 2.2 (E,S,W) Median hourly earnings of employees (excluding unpaid overtime) (pay gaps) |
| H. Not be prevented from working in a particular occupation without good reason A F | 3. Occupation | 3.1 (E,S,W) Difference in proportions of group x and group y (eg men and women) in each occupation, summed across all occupations (horizontal segregation) 3.2- 3.3 (E,S,W) Weighted ave prevalence of work-related illness/non-fatal work-related injury per 100,000 employed, based on occupation |
| F, H | 4. Discrimination in employment | 4.1 (E,S,W) Percentage with experience of unfair treatment, harassment or bullying at work in the last 2 years |
| E. Choose a balance between paid and unpaid work, care and leisure on an equal basis with others B. Care for others, incl children & parents C. Do something useful & have the value of your work recognised even if unpaid D. Have rest and leisure, including holidays, and respite from caring responsibilities | 5. Unpaid care and free time | 5.1 (E) Percentage of those with unpaid caring responsibilities who are fully satisfied with the gains and feel adequately recognised 5.2 (E,S,W) Free time (24 hours minus paid work, unpaid work and personal care) |
| G. Not be forced to work in a particular occupation or without pay | [not specifically covered] | |

| INDIVIDUAL, FAMILY AND SOCIAL LIFE | | |
|--|---|--|
| H. Form intimate relationships, friendships and a family K. Spend time with, and care for, others, including wider family G. Access emotional support O. Know that someone will look out for you P. Have peace of mind | 1. Availability of support | 1.1 (GB) Percentage meeting relatives or friends at least once a week, or talking to them on the phone 1.1 (S) Percentage meeting family members at least once a week, or talking to them on the phone 1.2 (GB) Score on five yes/no questions about availability of support 1.2 (S): Score on three agree/disagree questions about availability of support |
| L. Enjoy independence and equality in primary relationships including marriage F. Have a private life and some personal space, including protection of personal data E. Develop and maintain self-respect, self-esteem and self-confidence | 2. Being free from domestic abuse (emotional or financial) | 2.1 (E,W) Percentage experiencing domestic abuse (emotional or financial) in the last 12 months (reporting the relationship of victim to principal suspect, including partner abuse) |
| I. Celebrate on special occasions H K | 3. Being able to participate in key social and cultural occasions which matter to you | 3.1 (E,S,W) Percentage who say they have been unable to participate in one or more social or cultural occasions which mattered to them in the last three years (under development) |
| A. Develop as a person B. Develop your moral outlook and other beliefs C. Formulate and pursue goals and objectives for yourself | 4. Being able to be yourself | 4.1 (E,S,W) Percentage who feel able to be themselves (a) with their family, (b) with friends, and (c) in public (under development) |
| J. Be confident that your primary relationships will be treated with dignity and respect H, K | 5. Being able to form and pursue the relationships you want | 5.1 (E,S,W) Percentage who feel able to form and pursue the relationships they want (under development) |

| | | |
|---|----------------------------|--|
| Individual family and social life <i>cont'd</i> | | |
| M. Be free in matters of sexual relationships and reproduction | [not specifically covered] | |
| D. Hope for the future | [not specifically covered] | |
| N. Enjoy special support during pregnancy, maternity, and paternity | [not specifically covered] | |

| | | |
|---|--|--|
| IDENTITY, EXPRESSION AND SELF-RESPECT | | |
| A. Freedom of conscience, belief and religion | 1. Freedom to practice your religion or belief | 1.1 (E,W) Percentage who feel able to practice their religion or beliefs freely |
| E. Engage in cultural practices, in community with other members of your chosen group or groups, and across communities B. Freedom of cultural identity and expression of gender | 2. Cultural identity and expression | 2.1 (E,W) Percentage who believe that people with diverse backgrounds, beliefs and identities get on well together (a) where they live, (b) where they work or study |
| D. Communicate, including using information and communication technologies and use your own language C. Freedom of expression | 3. Ability to communicate in the language of your choice | 3.1 (E,S,W) Percentage who have the opportunity to communicate in the language of their choice (a) at work/study, (b) when accessing services (under development) |
| F. Self-respect | 4. Self respect | 4.1 (E,S,W) Mean score on Rosenberg self-esteem scale (under development) |
| G. Live without fear of humiliation, harassment, or abuse based on who you are H. Be confident that you will be treated with dignity and respect I. Access and use public spaces freely | 5. Freedom from stigma | 5.1 (E,S,W) Mean accumulated humiliation score (under development) |

| PARTICIPATION, VOICE AND INFLUENCE | | |
|---|---------------------------------------|---|
| <p>A. Participate in democratic free and fair elections</p> <p>B. Participate in the formulation of government policy, locally and nationally</p> | 1. Formal political participation | <p>1.1 (E,S,W) Percentage who voted in most recent General, national or local election</p> <p>1.2 (E,S,W) Equality characteristics of elected representatives in House of Commons, Scottish Parliament, National Assembly for Wales and local councils, relative to national population</p> |
| <p>B.</p> <p>F. Participate in the local community</p> | 2. Perceived influence in local area | 2.1 (E,S,W) Percentage who feel they can influence decisions affecting their local area (England and Wales; Scotland) |
| <p>B.</p> <p>E. Get together with others, peacefully</p> | 3. Political activity | <p>3.1 (E,W) Percentage undertaking at least one of the following activities in the last 12 months: contacting a councillor, local official, government official or MP (other than in relation to personal issues); attending public meeting or rally; taking part in demonstration or signing petition</p> <p>3.1 (S) Percentage who have ever contacted an MP or MSP, government official, or media outlet about a government action that s/he felt was harmful or unjust</p> |
| <p>G. Form and join civil organisations and solidarity groups, including trade unions</p> <p>C.</p> <p>E.</p> | 4. Taking part in civil organizations | <p>4.1 (E,W) Percentage who were members of a local decision-making body in last 12 months</p> <p>4.1 (S): Percentage active in a local or national campaigning or solidarity organisation or group in last 12 months</p> <p>4.1 (W): Percentage active in a local or national campaigning or solidarity organisation or group in last 3 years</p> |

| | | |
|---|--|---|
| <p>Participation, influence and voice <i>cont'd</i></p> | | |
| <p>B, F, G</p> | <p>5. Being treated with dignity and respect while accessing and participating in decision-making forums</p> | <p>5.1 (E,S,W) Percentage treated with dignity and respect while accessing and participating in local or national decision-making forums <i>(under development)</i></p> |
| <p>A. Participate in decision-making and make decisions affecting your own life independently</p> | <p>[autonomy indicators]</p> | |

Appendix A2 Index of data sources and associated measures

Measures are numbered by domain letter, indicator and measure, eg B2.1.

Domain key:

| | |
|---|---------------------------------------|
| A | Life |
| B | Health |
| C | Physical security |
| D | Legal security |
| E | Education and learning |
| F | Standard of living |
| G | Productive and valued activities |
| H | Individual, family and social life |
| I | Identity, expression and self-respect |
| J | Participation, influence and voice |

| | Data source | Measures |
|---|---|---|
| 1 | A&E attendances in England (experimental) | B5.1 (E) Accident & Emergency accident and injury rate, by location |
| 2 | A&E attendances in Scotland (under development) | B5.1 (S) Accident & Emergency accident and injury rate, by location |
| 3 | A&E attendances in Wales (under development) | B5.1 (W) Accident & Emergency accident and injury rate, by location |
| 4 | Adult Literacy and Numeracy Survey (under development) (Scotland) | E1.1 (S) Percentage of people of working age with functional literacy and numeracy skills |
| 5 | Better Together Survey (Scotland) | B3.1 (S) Percentage with low perceptions of treatment with dignity and respect in healthcare |
| 6 | British Crime Survey (England and Wales) | C1.1 (E,W) Percentage that are victims of violent crime (all types) C1.2 (E,W) Percentage that are victims of violent crime involving knives, sharp stabbing instruments and guns C1.3 (E,W) Percentage that are victims of sexual violence (with separate reporting of rape and assault by penetration and other sexual violence) C1.4 (E,W) Percentage that are victims of domestic violence (with reporting of relationship to victim of principal suspect, including partner violence) C2.1 (E,W) Prevalence of hate crime (race) C2.2 (E,W) Prevalence of hate crime (religion) C2.3 (E,W) Prevalence of hate crime (age) C2.5 (E,W) Prevalence of hate crime |

| | | |
|----|---|--|
| | | (disability) |
| | | C2.6 (E,W) Prevalence of hate crime (sexual orientation) |
| | | C2.7 (E,W) Prevalence of hate crime (transgender) |
| | | C4.1 (E,W) Percentage who feel very unsafe or unsafe being <i>alone</i> at home and in local area (during the day and after dark) |
| | | C4.2 (E,W) Percentage who feel very worried or worried about physical attack, intimidation or acquisitive crime |
| | | D2.1 (E,W) Percentage (a) stopped on foot or vehicles (b) stopped and searched |
| | | D2.2 (E,W) Percentage who are confident that the criminal justice system (police, CPS, courts, prison and probation service) (a) meets the needs of victims, (b) respects the rights of those accused of an offence and treats them fairly |
| | | D2.3 (E,W) Percentage who have lodged an official complaint against the police in past 12 months who are fairly or very satisfied with the handling of the complaint |
| | | F1.2 (E,W) Percentage who were a victim of domestic burglary or vandalism to the home in the last 12 months |
| | | H2.1 (E,W) Percentage experiencing domestic abuse (emotional or financial) in the last 12 months (reporting the relationship of victim to principal suspect, including partner abuse) |
| 7 | British Election Study | J1.1 (E,S,W) Percentage who voted in most recent General, national or local election |
| 8 | British Household Panel Survey | H1.1 (GB) Percentage meeting relatives or friends at least once a week H1.3 (GB) Score on five yes/no questions about availability of support |
| 9 | Census Longitudinal Study (England and Wales) | A1.1 (EW) Period life expectancy at birth, and ages 20, 65 and 80 |
| 10 | Childcare and Early Years - Parents' Survey (England) | F3.2 (E) Percentage of parents who do not have access to childcare which meets their and their children's needs |
| 11 | Citizenship Survey (England and Wales) | E1.2 (E,W) Percentage who can speak, read and write English or Welsh very or fairly well E5.1 (E,W) Percentage of those |

| | | |
|----|---|--|
| | | <p>attending who say they are treated with respect at school or college</p> <p>I1.1 (E,W) Percentage who feel they are able to practice their religion or beliefs freely</p> <p>I2.1 (E,W) Percentage who believe that people with diverse backgrounds, beliefs and identities get on well together a. where they live, b. where they work or study</p> <p>J 2.2 (E,W) Percentage who feel they can influence decisions affecting their local area</p> <p>J3.1 (E,W) Percentage undertaking at least one of the following activities in the last 12 months: contacting a councillor, local official, government official or MP (other than in relation to personal issues); attending public meeting or rally; taking part in demonstration or signing petition</p> <p>J4.1 (E,W) Percentage who were a member of a local decision-making body in last 12 months</p> |
| 12 | Civil and Social Justice Survey (England and Wales) | <p>D4.1 (E,W) Percentage who said they had justiciable civil justice problems but who gave up or did nothing as opposed to other outcomes</p> <p>D 4.2 (E,W) Percentage with justiciable civil justice problems that obtained advice</p> |
| 13 | Crown Prosecution Service (England and Wales) | <p>Number of legal cases successfully prosecuted, for:</p> <p>D1.1 (E,W) Rape</p> <p>D1.2 (E,W) Domestic violence</p> <p>D1.3 (E,W) Hate crime</p> |
| 14 | DEFRA SDI 60 , SDI 65 (England) | <p>B4.2 (E) Percentage living in an area with less favourable environmental conditions</p> <p>F4.1 (E) Percentage living in an area with 'unsatisfactory' or 'poor' local environmental conditions</p> |
| 15 | English Housing Survey | F1.1 (E) Percentage of individuals living in sub-standard, overcrowded or unadapted accommodation |
| 16 | English Longitudinal Study of Ageing | <p>F3.1 (E) Percentage of older disabled people who do not receive practical support that meets their needs</p> <p>G5.1 (E) Percentage of those with unpaid caring responsibilities who are fully satisfied with the gains and feel adequately recognised</p> |
| 17 | Fair Treatment at Work | G4.1 (E,S,W) Percentage with |

| | |
|---|---|
| Survey | experience of unfair treatment, harassment or bullying or at work in last 2 years |
| 18 Family Resources Survey | F2.1 (E,S,W) Percentage of individuals living in households below 60 per cent of contemporary median income, after housing costs F2.2 (E,S,W) Mean deprivation score among those above the income poverty threshold |
| 19 General Register Office (England and Wales) | A1.1 (E,W) Period life expectancy at birth, and ages 20, 65 and 80 |
| 20 General Register Office for Scotland | A1.1 (S) Period life expectancy at birth, and ages 20, 65 and 80 A3.1 (S) Cardiovascular disease mortality rate (age-standardised) A3.2 (S) Cancer mortality rate (age-standardised) A3.3 (S) Suicide rate A3.4 (S) Accident mortality rate |
| 21 Health and Safety Executive | G3.2, 3.3 (E,S,W) Weighted average prevalence of work-related illness /non-fatal work-related injury per 100,000 employed, based on occupation |
| 22 Health Survey for England | B1.1 (E) Percentage who report a long-standing health problem or disability that substantially limits their ability to carry out normal day-to-day activities B1.2 (E) Percentage who report poor mental health and well-being B2.1 (E) Percentage who report poor current self-reported health status B4.1 (E) Percentage who are living a healthy lifestyle covering smoking, alcohol, physical activity, consumption of fruit and vegetables, and body mass |
| 23 Homicide index, Home Office (England and Wales) | A2.1 (E,W) Homicide rate A2.2 (E,W) Domestic homicide rate (with separate reporting of relationship of victim to principal suspect, including partner homicide) A 2.3 (E,W) Homicides involving sharp implements and shootings A 2.4 (E,W) Racially motivated, religiously motivated and homophobic homicide |
| 24 Independent Police Complaints Commission (England and Wales) | A4.1 (E,W) Deaths from non-natural causes during or following police custody |

| | |
|---|---|
| 25 Labour Force Survey / Annual Population Survey | <p>E2.1 (E,S,W) Percentage of each age group with no educational qualifications</p> <p>E2.2 (E,S,W) Percentage of each age group with degree level qualifications</p> <p>E3.1 (E,S,W) Percentage who have participated in formal or informal learning in last 12 months</p> <p>G1.1 (E,S,W) Percentage of working age population in paid employment</p> <p>G2.1 (E,S,W) Percentage earning less than 60 per cent of median hourly earnings of employees (excluding unpaid overtime)</p> <p>G2.2 (E,S,W) Median hourly earnings of employees (excluding unpaid overtime) (pay gaps)</p> <p>G3.1 (E,S,W) Difference in proportions of group x and group y (eg men and women) in each occupation, summed across all occupations (horizontal segregation)</p> <p>G3.2, 3.3 (E,S,W) Weighted average prevalence of work-related illness/ non-fatal work-related injury per 100,000 employed, based on occupation</p> |
| 26 Lifetime Opportunities Survey (longitudinal disability survey) | <p>F3.1 (E,S,W) Percentage of disabled people (including older people) who do not receive practical support that meets their needs</p> |
