Introduction

This appendix shows versions of most of the graphical figures from the report ‘The cumulative impact of tax and welfare reforms’. Most of the figures from the report used data for the whole of Great Britain: this appendix presents equivalent figures using data just for England. The only figures excluded are where the data in the main report are already presented separately for England, Wales and Scotland.

The chapter headings and figure headings are the same as those used in the main report.
Cumulative assessment of the impact of reforms at the household level

Figure 4.1 Cash impact of reforms to taxes and transfer payments by household net income decile and type of reform, 2021-22 tax year: England

Figure 4.2 Percentage impact of reforms to taxes and transfer payments by household net income decile and type of reform, 2021-22 tax year: England

Figure 4.3 Cash impact of reforms to taxes and transfer payments by household net income decile by Parliament of introduction, 2021-22 tax year: England

**Figure 4.6 Cash impact of reforms to taxes and transfer payments by household ethnicity (broad classification) and type of reform, 2021-22 tax year: England**

Figure 4.7 Cash impact of reforms to taxes and transfer payments by household ethnicity (detailed classification) and type of reform, 2021-22 tax year: England

Figure 4.8 Cash impact of reforms to taxes and transfer payments by adult–child household disability status and type of reform, 2021-22 tax year: England

Figure 4.9 Cash impact of reforms to taxes and transfer payments by household disability score and type of reform, 2021-22 tax year: England

Figure 4.10 Cash impact of reforms to direct tax and transfer payments by specific functional disability, 2021-22 tax year: England

Figure 4.11 Cash impact of reforms to taxes and transfer payments by household demographic type and type of reform, 2021-22 tax year: England

Figure 4.12 Cash impact of reforms to taxes and transfer payments by number of children in household and type of reform, 2021-22 tax year: England

Figure 4.13 Cash impact of reforms to taxes and transfer payments by number of children in household and Parliament of introduction, 2021-22 tax year: England

Figure 4.14 Cash impact of reforms to taxes and transfer payments by average age of adults in household and type of reform, 2021-22 tax year: England

Figure 4.15 Cash impact of reforms to taxes and transfer payments by average age of adults in household and Parliament of introduction, 2021-22 tax year: England
